

**Subject:** 2008 Q4 Subcontractor Performance Evaluation - Armor Tower, Inc

### **General Dynamics - Wireless Services**

**Contractor:** Armor Tower, Inc

**Program:** Rescue 21

**Market:** Michigan

**Period:** 2008 Q4

**Calculated Contractor Rating:** 1

**Comments:** Q4 2008 - Armor Tower Services has gone above and beyond to meet and beat the required deadlines. Furthermore, Armor has had all of their reports approved by GD and C4S on the first submission which speaks to the quality of their services and adherence to the SOW which they bid on. It is recommended that we continue to use armor tower for tower mapping and structural analysis' services as they are extremely competent and responsive to the needs of GD and their customer. We look forward to working with them in the future.

### **Rating**

1. **Superior** - Demonstrates skill far exceeding requirements. High level of competency.
