Dear XXXX,

We have performed the anchor bolts & base plate modifications on 98' Summit monopole located on XXXX Avenue in TOWN, NY.

Enclosed please find our structural analysis letter for this site dated June 14<sup>th</sup> of this year outlining the structural modifications necessary, and photographic documentation of the reinforcement that took place.

The tower now is capable of supporting the existing and proposed loads as outlined in the attached letter.

If you have any questions concerning this upgrade, please feel free to contact us.

Sincerely,
